"Each one of you should set aside a sum of money in keeping with your income..."

1 Corinthians 16 :2

# *Our work at St Mark's costs about £160,000 p.a.*

## *Our giving needs to meet 80% of that cost.*

#### Why give to St Marks?

There is no central funding for Anglican churches, so apart from the 20% of income that comes from fees and premises lettings, any money we use has to come from our own donations (and tax on those donations)

Between us, we have to meet the costs of heating and maintaining our buildings and running the office (17% of our total costs), as well as our ministry expenses and materials (3%), the costs of our staff and our contribution to the diocese (70%, including our 'parish share' which funds clergy costs across the diocese). We also have committed to give a 'tithe' of 10% of our income to support God's work elsewhere.

Jesus talked a lot about money and stewardship. We want to see God's Kingdom come right here in Leamington and New Milverton. We don't ask anyone to give more than they can afford, but we do need everyone to give generously of what they can; only then can we continue to serve God as we do, and take hold of the new opportunities he provides.

*Thank you*
