LEAMINGTON SPA

Giving to St Mark's. We are very grateful to everyone who gives financially. Ideally, and particularly if you can gift aid your donation, please set up a regular direct debit through the Parish Giving Scheme. Go to www.parishgiving.org.uk and you can find St Mark's from the front page, and set it up online. Thank you. Alternatively, you can give on line, using this link <https://givealittle.co/campaigns/670e813c-9dbf-456a-b47e-c077c9a02904> or the one on the church website. <https://www.st-marks.net/more/giving> You will also find a link to a Gift Aid declaration form here.

If you are writing or updating your will, please consider leaving us a legacy.

Small Groups at St Mark's. We are encouraging people who are not in a group to consider joining one. We know that they don't work for everyone, also that it is very important to find the right group so we suggest a "try before you buy" approach. Our groups meet on Tuesday, Wednesday and Thursday evenings, with one Wednesday morning group meeting by Zoom. Nikki has a group during the day on Tuesdays seeking new members. You can find out a bit about each group on the notice board at the back of church (opposite the kitchen door). Speak to Amanda di Giovanni for more information or email office@st-marks.net

Getting involved at St Mark's. If you would like to find out more about being part of the Welcome or Coffee Teams, leading intercessions, reading in church, joining the music groups, helping with children's or youth work, Chaplaincy Team at Leamington College, cleaning the church... Please contact the office and we will put you in touch with the relevant person.

Prayer at St Mark's

Prayer is an important part of our lives as Christians – although not necessarily an easy one.

Asking for prayer for ourselves - or those close to us is one aspect and we are hoping to make this easier.

There are several options:

1. After the morning service on Sundays (except all-age services). Members of our prayer ministry team are available to pray with and for you.
2. Through a note in the prayer box at the back of church. Leave as much or little information as you feel comfortable, it can be anonymous – or just your name; and we will pass it on to the prayer team.
3. By emailing prayer@st-marks.net Your request will then be passed on to the team, again you can give as much or as little information as you wish.
4. There is opportunity to share prayer requests at the evening service and in small groups.

Prayer and prayer ministry teams are known and trusted members of our congregation who have appropriate safeguarding training. Confidentiality will be assured – within the safeguarding boundaries.

If you would like to be part of the prayer team (to receive emailed prayer requests), or part of the prayer ministry team (for after service prayer – this is on a rota basis and usually works out at one Sunday a month for 2 out of every 3 months) please contact the office.

A Quote from Paula Gooder's book 'Phoebe' (A story inspired by Romans).
"Prayer isn't like giving in your order for hot food: submitted one moment and delivered the next. But prayer does place us in God's presence. Prayer opens us up to see what God is already doing.
Prayer invites God to be present at the heart of what we're worried about.

"What if we're not sure what to ask?' ... "When we do not know how to pray as we ought the Spirit intercedes with sighs too deep for words."
Yes, ... We can let the Spirit ask for us."

Building Plans

After several years of only routine or essential maintenance we have lots of exciting plans and ideas for the church itself and the community centre. These vary from basic DIY (eg replacing locks on toilet doors) to major projects (eg. new flat roof for the community centre and disabled ramp for the south door); some have been approved by the PCC and we have architect plans, others are further down the line.

More information can be found on the website [Planning for the future | St Mark's Church, Leamington Spa](#), a board at the back of church and one opposite the office.

DIY

If you have DIY skills and would be able to help please contact wardens@st-marks.net We are thinking of having a 'DIY Month' possibly next February.

Project Management

If you have experience of project management and time to commit to helping us, we would love to hear from you! Contact wardens@st-marks.net or chat to Marcella, Charlie or Tim.

Finance

Some money will come from the sale of a flat which had been left to the church, some from legacies and church funds. We are hoping to get grants to contribute to some of the costs (hence the renaming of the hall complex as the Community Centre). There will be opportunity for personal contributions when things start to happen.

To help with this we ask everyone to complete the Community Survey, and if you are in contact with other people who use the building please ask them to do it too.

Community Survey. Please fill out the 2– minute survey to enable us to raise funds to repair our community centre roof. Either use the link or the QR code. [St Marks Community Centre Survey](#)
